

Closing Date: 31 July 2017  
Vacancy: Matriculants  
Branch: Khulisa Academy Bryanston Johannesburg  
Duration: 2-year comprehensive training programme.

The overall purpose is for training students with High Performance Computing. High Performance Computing (HPC) most generally refers to the practice of aggregating computing power in a way that delivers much higher performance than one could get out of a typical desktop computer or workstation in order to solve large problems in science, engineering, or business

**Minimum Requirements:**

- South African born African citizen.
- Employment Equity candidates only – preference for females
- Minimum of 65% for Maths, Physical Science, English and IT related courses;
- Not be engaged formal/part-time employment.
- Be between the ages of 18 and 27 years. \*For learners with disability age up to 30
- Excellent communications skills.
- Must have an interest in IT or High-Performance Computing and have ability to work under pressure
- Must have good interpersonal skills and be self-motivated.
- Mandatory completion of psychometrics tests to confirm an aptitude for an IT related career and attitude which will be conducive to participating in the program.

**Behavioral Competencies:**

- Dealing with ambiguity
- Composure
- Action oriented
- Informative
- Integrity and trust
- Patience
- Critical thinking

Please send your CV, ID and academic transcript to: [applications@khulisaacademy.co.za](mailto:applications@khulisaacademy.co.za)
